

Thrive Forward: Fostering Individual and Collective Resilience

Thursday, April 10th at 6pm

Registration begins April 1st

Join us for an inspiring session on healing, well-being, and the power of resilience – not just as individuals, but as a collective. True resilience is not simply about bouncing back from adversity; it's about transforming heartbreak and disappointment into compassion and wisdom. Through mindfulness and intention, we can cultivate resilience that uplifts both ourselves and those around us. Drawing from her book *Thriving When Your Cosmic Egg Is Cracked: A Mindful Journey*, Cheryl will share a pathway forward, offering practical tools to help participants expand beyond limiting thoughts and embrace growth, both personally and as a community.
